Bishop Alfred Harding of the diocese of Washington has accepted appointment as the head of the Episcopal pastors' committee, and has issued a call to the rectors of his diocese to help in the campaign.

The church section is busily engaged in perfecting the organization of church committees, and it is expected that by Thursday practically every church in the District will have named its chairman.

Brig. Gen. Charles E. Sawyer is a friend of the institute, and will represent the committee in placing the cause of the adult blind workers before the President and Mrs. Harding.

Mrs. May D. Lightfoot is in charge of the appointments committee.

A substantial check has been received from Naomi Chapter, Order of the Eastern Star, and it is expected that within a few days committees will have been appointed in all of the local Eastern Star chapters.

Friendship Chapter of Tenleytown has already sent in the names of a committee of four workers. Next Sunday will be "Institute Sunday" in the churches of the District, and each pastor has been asked to give a short address on the subject of the blind.

Other speakers were J. O. Mills of the Whitecomb of Massachusetts, A. B. Carder of Missouri, Harry Baldwin of Massachusetts and John S. Birmingham of New York. Musical entertainment concluded the program.

## Negro Lynched at Gate of State Convict Farm in Mississippi

By the Associated Press.

JACKSON, Miss., June 21.—Louis Wimberly, an eighteen-year-old negro convict, was lynched late yesterday afternoon at the gate of the state convict farm in Hinds county, seven miles from this city.

Wimberly was a trusty who worked around the residence of Asst. Sergt. Berryhill. Yesterday morning about 8 o'clock, while Mrs. Berryhill was at home alone with her little five-year-old daughter, the negro attacked her, striking her on the head, rendering her unconscious, tied her and assaulted her. Some minutes later her husband found her still unconscious, but after physicians had attended her for two hours she regained consciousness and told of the assault.

Two negro trustees, convicted, caught Wimberly several miles from the farm and brought him back. As a matter of precaution, Traveling Sergt. Sam Nunery was ordered to bring Wimberly to Jackson and place him in the Hinds county jail, and it was while attempting to do this that he was overpowered by a mob and his prisoner hanged.
